

ST. FRANCIS WORLD SCHOOL

CBSE Affiliated Co-educational Senior Secondary School

SFITE SCHOOL SCOOP

Newsletter June, 2022

We are creatures of habit and can thrive and feel comfortable when things are predictable. But too much routine stifles creativity and we forget what else is possible.

Summer break offers an opportunity to work through any "walls" students might experience from school overload. The day-to-day work and atmosphere in classrooms can be overwhelming for some children, and a summer break enables them to relax and reflect on the educational experience they had, preparing them for the beginning of a new year.

The school remained closed for SUMMER VACATION from 25-May-2022 (Wednesday). To ensure that the children have a constructive holiday, some Holiday Homework & Projects were given which would keep the child active and observant. These projects would provide an enjoyable learning experience to all students.

Decluttering the New Assessment Scheme 2022-23!

In order to be thoroughly acquainted with the new assessment pattern inculcated by the CBSE for scholastic as well as co-scholastic activities, a workshop for teachers was held at SFWS on June 13, 2022 by Mr. S.P. Verma, Dir GEM Foundation & Former Principal KVS.

The workshop's aim was to update all teachers with the new assessment pattern. The session was hugely enriching & thoroughly enjoyed by all. At SFWS, we firmly believe, "Once a TEACHER, always a TEACHER & a LEARNER!!"

UNIVERSITY CAREER FAIR

A great opportunity for Meerut! Career fair is an open field of guidance, consultancy, and exploration of multiple career options for students. SFWS organized a University Career Fair open for all.

Recognized Universities from all over were available for IX-XII students and parents on June 4, 2022. It provided an excellent platform to interact face-to-face with the students & parents about career preferences, and specialization, courses to offer, admission process, Course fees, Applications, Job placements, and all.

GEMA Award I

GEMA honoured our SFITES with Merit Certification in International Painting Olympics-2022.

Regularly entering competitions is a powerful way to inspire students to continuously try and improve. Further, the confidence children build in putting together a worthy entry is invaluable in the art world. Without faith and pride in your creations, you're never going to be able to make it very far as an artist.

Aliza Imran
Grade LKG

Anika Agastya
Grade IV

Yug Arya
Grade II

Daksh
Grade LKG

Atharv Ratori
Grade VI

Congratulations to all the young artists who have achieved this award!

INTERNATIONAL Yoga DAY

The benefits of practicing yoga, such as mastering countless techniques of controlling the body and the mind, have been widely recognized by the Western world for years, and International Yoga Day aims to continue to inform people how much dedicating a bit of time to the art of yoga can improve their lives. It is not just a physical practice, but also a mental one, with many of the teachings of yoga reflecting mental and spiritual states, and allowing your body to wander and draft into unknown realms that will give you a focus in your life and a calmness with your soul.

Yoga is a physical, mental and spiritual practice which originated in ancient India. Yoga Day is celebrated internationally on 21st June as it is the longest day of the year. Yoga is a holistic healer and it has immense benefits, keeping this in view, SFWS organised Yoga Day Celebration at 6:00 A.M not only for students but for parents and teachers as well, with the purpose of keeping the students active and fit, thereby improving their performance in academics and co-

Father's Day

Father's Day is a celebration honouring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society.

The school was off for summer break and hence the children with an attempt to encourage fathers and children bond, spent quality time with each other. These moments were captured and shared with all on SFWS social media, Facebook page. Children were given tasks to perform for their fathers.

It is said that if you can involve your child in the cooking process, right from the beginning, it will help them build a healthy attitude towards food as they grow older. Many children are interested in cooking, but sometimes, we parents don't let them help or come into the kitchen, fearing accidents. But with no-fire cooking, there are no such worries.

Non fire cooking competition was held at SFWS on 29th June and this was open for the students of grade VI-VIII. The objective was to inculcate the habit of cooking among the children with the spirit of sportsmanship.

Cleanliness, safety, taste and presentation were the basic criteria of the judgement.

District Championship

We at St. Francis World School believe in overall development in our students. We proudly congratulate our Student Yuvraj Sharma for receiving the Silver Medal in District Roller Skate Championship organized by Meerut District Roller Skating Association.

We wish him heartiest congratulations for this achievement and All the Best for future endeavors.

Creating History Brick By Brick

As we add another feather in our cap with the prestigious Green India Award-2022 under the category Best Green Campus of the Year. This award was given to us by Sr. GM of DMRC, Mr. Vikash Singhal Ji in World Environment Expo & Conference organized at Pragati Maidan
