Celebrating Labour Day

'Every person's work, no matter how small or seemingly insignificant, contributes to the betterment of society.'

Let us respect and appreciate the labour of all, for it is the collective effort of individuals that moves us forward as a community. Acknowledging all small help that makes an impact in each of our lives.

Treat everyone with respect.

Taking a moment to recognize and applaud the hard work, passion, and dedication of all community helpers.

Their selfless contributions have inspired us all and serve as a shining example of what can be achieved when we come together for a common cause.

Our little ones at SFWS role played and understood more about them and thanked them, for their tireless efforts and unwavering commitment.

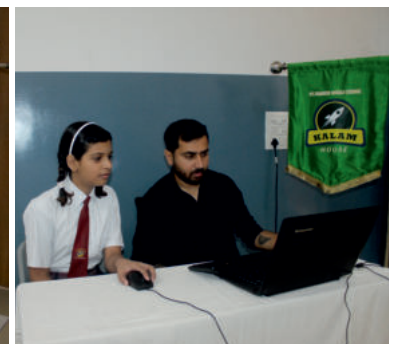

Polling for Student Council

The action of leading a group of people leadership is about taking risks and challenging the status quo.

Leaders motivate others to achieve something new and better. Elections at SFWS were held for electing the eligible leaders of the school and the members to take the school at a greater extent.

Inter-House Dance Competition

It was an incredible event filled with jaw-dropping performances and remarkable talent. Our students showcased their passion, creativity, and teamwork on the dance floor, leaving the audience mesmerized. Congratulations to all the participants for their outstanding performances and a special shout out to the winning dance crew who stole the show! Kalam house first, Bhasakar house second were outright winners!

Yoga Time for Young SFITES

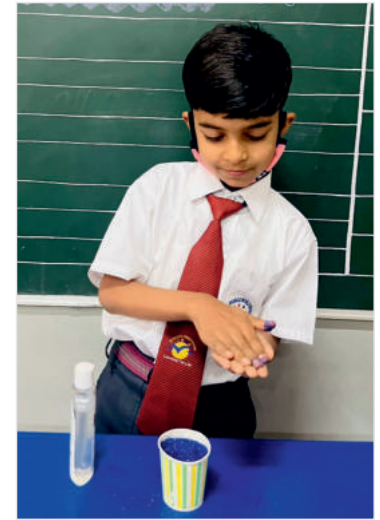

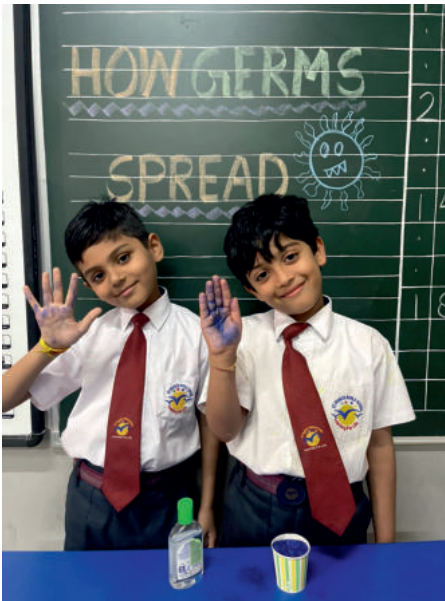

When we challenge ourselves to step out of our comfort zones and embrace new experiences, we open ourselves up to personal growth and development.

By trying new things and taking on new challenges, we learn more about ourselves and our capabilities.

Our tiny tots leaning into their wellbeing journey, starting the yoga classes, and loving every minute of it!

Hygiene and Germs

There are lots of material and surfaces around us, all of which can end up being breeding grounds for germs. Left untreated these surfaces are just waiting to cross contaminate even further and cause an outbreak!

Our students of grade 1 understood high-frequency touchpoint and identifying as to how does one get contaminated with germs with a fun activity in class.

Field Trip

Knowledge gained through experience is far superior and many times more useful than bookish knowledge.

Our tiny tots were given exposure with a visit to the Police Station, Post Office, ATM and a fun time at the park. These trips serve as enlightening for our students and provide a real world experience.

Career Counselling Session

St. Francis World School organized a career counselling workshop for classes 9-12. The objective was to guide students on creating a profile for top universities in India and abroad and choosing subjects for their career. The workshop was conducted by Mr. Love Jain, who explained how to develop creative, thinking, comprehension, writing, reading and memory skills. He also advised on subject selection.

SFWS appreciated the initiative with Times of India group and emphasized the importance of understanding skills and choosing the right career path after class 12th.

Mother's Day

At SFWS Mother's Day was celebrated by dedicating this special day to the superwomen in our lives - Mothers who hold everything together, whose unconditional love and support shaped us into who we are today!

We celebrate this special day today with mothers from our extended family with a friendly Cricket Match and Non-Fire Cooking Competition. We were delighted to have our esteemed chief guest for today's event. Ms. Venika Jain is a Clinical Nutritionist and Gut Health Specialist.

We honour the celebrations to all the strong, caring, and inspiring mothers out there, we say thank you.

Inter-House ICT Quiz Competition

"Competition on anything is good, because it makes everybody better."

To encourage the students to widen their knowledge on innovation and new ideas related to the field of Technology, Inter-House ICT Quiz Competition was organised for Grade III - V.

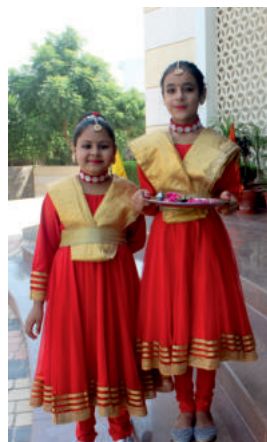

The Winning Position has been bagged by Kalam House and Runner Up position is secured by Bhaskar House.

Investiture Ceremony

The Investiture ceremony, one of the momentous occasions when the school entrusts hope, faith and the mantle of responsibility to the newly appointed school cabinet. The ceremony signified the reliance and confidence that the school consigns in the newly office bearers.

The ceremony at St Francis World School was presided by our Chief Guest Col Y S Sengar, Commanding Officer 32 MVH along with the school management team. It was a culmination of nominations campaigning speeches and practices.

Good teamwork was displayed amongst teachers too!

We have future leaders of tomorrow building team spirit through collaboration and hard work.

Congratulations to our office bearers!!

Splash in the Pool

Fun in the Sun! Our Kindergarten Students Make a Splash at the Pool!

Check out these adorable snapshots of our little ones having a blast at the splash pool today! Swimming like little fish and giggling with delight, our Nursery students had a splashing good time at the pool! They couldn't wait to jump into the refreshing water and make memories together.

From water slides to floating toys, our students embraced every moment of this fun-filled outing. Their excitement and energy was contagious!

Skit Competition

May 26th, we got to admire talent at SFWS, as we held a skit competition on Moral Values for grade I & II.

The enthusiasm shown by our students was inspiring. Some of the students who sat quietly in class surprised us with skills we hadn't even considered.

Incorporating values is as important to an institution as imparting knowledge.

Young Published Authors

Congratulations to our brilliant young authors at SFWS! Today, we celebrate their creativity, dedication, and storytelling prowess. Their imaginative tales have the power to change the world, one word at a time.

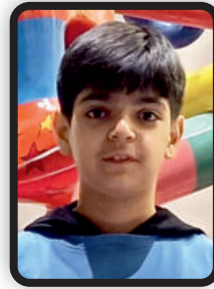

Keep shining, our young authors! We are proud of you!
