[Circular: Regarding Nurturing a Plant Drive-2023]

Dear Parents,

Greetings from SFWS!

It gives us immense pleasure to inform you that St Francis World School along with Eiha Smile Club, is initiating a plant drive wherein your ward will be gifted a plant and he/ she will be taking responsibility of that plant. He has to plant it, nurture and look after the plant and share updates about its growth with your class teacher for Eco Club.

These plants are hybrid plants. This initiative will make your ward responsible, sensitive towards environment and contribute in making our Earth a Green planet.

- ❖ **Date:** 14th October 2023
- ❖ **Time:** 9:30am - 10:30am

Venue: Kindergarten Hall, St. Francis World School, Meerut.

We hope that you and your ward will be part of this noble initiative.

With warm regards

Principal
