CBSE Workshop on Financial Literacy Training

CBSE Workshop on Financial Literacy Training was conducted in St. Francis World School on 23rd January 2024. The resource person for the event was Dr. ACS Stuti. The workshop highlighted the importance of investing over saving money. The resource person explained the various ways of saving and investing money and demonstrated various options that can be opted for salaried individuals. The workshop was indeed an event filled with learning and insight towards the importance of investment and financial planning at all stages of life.

Educational Colgate activity

"Healthy teeth, happy smiles!" We were excited to bring a fun and educational Colgate activity to promote good oral hygiene habits among our little ones where teacher taught learners the right way to brush, its importance and to brush a teeth twice a day in morning and at night. Dental care kit was given to the kids for the brightest smiles and also captured their smiles by clicking the photographs."

Thumb Painting Competition

Creativity knows no boundaries; let the thumb be the brush that paints dreams."

Embrace the artistic spirit within your little ones! Thumb Painting Competition was organized for kindergarten students where imagination knows no bound. Painting is a way for children to do many important things: convey ideas, express emotion, use their senses and enhance their creativity and fine motor skills

Parenting Workshop Open House

"Building Bridges: Fostering Mental Well-being Together"

At St. Francis World School's Open House Parenting Workshop took place in which the parents enthusiastically engaged in a workshop led by our dedicated child psychologist. They gained valuable insights into nurturing their child's mental well-being and understood the positive impact of their involvement in their child's life. Our psychologist, adept at bridging the gap between students and parents, facilitated meaningful discussions, empowering parents with practical strategies. Their eager participation signifies a strong commitment to supporting their children's holistic development. Together, we're forging a path towards resilient and thriving young minds.

Extempore Competition

"Extempore is intended to reveal a competitor's ability to develop a point of view on a general topic and to deliver an impromptu speech within limited preparation time."

20 students from VI-VIII participated in Extempore Competition on 7 February 2024

Students were given on- the spot topics and have to speak on them. They were given 2mins to think about the topic and then speak on it for 2mins.

Winners of the competition were-

Labiba - class7 first position

Samarth- class 7 second position

Khushi- class 7 third position"

Heartwarming Family Day Celebration

A heartwarming Family Day celebration was done in SFWS on 9th February 2024 for class Nursery to UKG. Our tiny tots together celebrate the beauty of family bonds with shared moments and joyous activities. This is organized to strengthen family bonds and create lasting memories. A family tree was made by kindergarten students by pasting their family photos on it. The activity enhanced their creativity, fine motor skills, emotional intelligence and strengthened family bond. It was a memorable day for young SFITES filled with joy and happiness

SFWS Celebrated Vasant Panchami

On the wings of Basant Panchami, let knowledge soar and creativity bloom. May the gentle breeze of spring carry the melodies of inspiration, filling the hearts of our tiny tots with the colors of wisdom. SFWS celebrated Vasant Panchami on 14.2.2024. This was celebrated to make students aware of this festival that this auspicious occasion marks the onset of spring and is dedicated to the goddess Saraswati, the embodiment of knowledge, music, and art. To make this celebration special, students are encouraged to wear yellow attire on this day.

Children had enjoyed pot lunch. Kite making activity was also done by kindergarten students of class Nur. to UKG. And also watch the movie on Goodness Saraswati.

By doing so, children made this celebration a memorable one together!

Vibrant Art Competition

"In the words of Albert Einstein, 'Creativity is intelligence having fun.' At St. Francis World School, we embody this spirit by giving equal importance to extracurricular activities. Today, our students experienced a delightful Fun Day, where they immersed themselves in a vibrant art competition. Collaborating with Nagar Nigam, the students not only showcased their artistic aptitude but also honed their motor skills, perception, and creativity. This event goes beyond the conventional boundaries of learning, aligning with our ideology of education that extends far beyond the pages of textbooks."

The winner of the painting competition is Aayush Adhana of 8th Amaryllis.

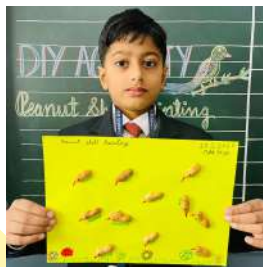

Rashi Pandit of 8th Crocus was awarded the second prize and Khanak Garg of 7th Sunflower was awarded with the third prize. 7 students were awarded Consolation Prize. The winners were rewarded with certificates and mementos by Shri Pramod Kumar ji (Upper Nagar Aayukt, Nagar Nigam, and Smt. Kalpana Pandey (President, SAARTHI)

Peanut Shell Painting Activity

St. Francis World School is empowering tiny tots through the power of creativity! Our latest adventure involved a peanut shell painting activity that combined fun with motor development. Not only did our young artists create beautiful masterpieces, but they also learned about the importance of environmental awareness by transforming waste materials into art. At SFWS, we believe in innovative approaches to education that foster mindfulness while nurturing budding artists. Join us on our journey to shape the future with creativity and imagination!

Students To Explore Their Creativity

Crafting is an excellent way for artists to express themselves and showcase their talents. At SFWS, we encourage our students to explore their creativity through various DIY projects. From peanut shell paintings to flower pots made of colorful sheets and onion paintings, our classes I-V have crafted a variety of unique pieces.

Our students learn new techniques and skills while developing their imaginations and artistic expression. We believe that a playful learning environment can foster creativity and curiosity. Join us at SFWS and embrace your inner artist!

Involving Making Things With One's Own Hands

A craft provide a platform for the artists for expressing their ideas and talents. It describes a wide variety of activities involving making things with one's own hands.

SFITES of Class III - IV explored their creativity by crafting different DIYs.

The students of class III prepared bird painting with the help of origami sheets and earbuds. The students of class IV prepared Flower pot with the colourful sheets.

This engaging activity fostered a playful learning environment encouraging imagination among the budding artists.

Exploring The Magic Of Black Hues

In the canvas of life, the vibrant strokes of color bring joy , but it's the profound shades of black that carve the contours of resilience and depth .

Imagine first and second-graders stepping into a colorful adventure, but with a twist—exploring the magic of black hues! This unique activity wasn't just about drawing ; it was like opening a door to a world where the kids could show off their creative sparks . It was like a playground for their ideas, helping them not only with coloring but also with thinking in new and exciting ways . It's more than just art; it's a journey where the black and white on paper is a gateway to endless possibilities in their growing minds!
