Co-educational Senior Secondary (CBSE Affiliated)

Ref. No. : SFWS/2024-25/P/02

Date: 13.04.2024

**[Circular: Concept Analysis through EI tests]**

Dear Parents

Greetings!!

Assessments are a key part of the education system. It provides valuable feedback on the performance of students. St. Francis World School believes that testing key concepts & core knowledge at regular intervals plays a pivotal role in learning.

St. Francis World School along with Educational Initiative (EI study) has planned to organize a diagnostic test 'EI Cares' to assess the learning gaps of your child and to improve their conceptual knowledge.

This is first of its kind initiative taken by SFWS to improve overall performance of each child in core subjects.

EI-Test for your ward will be conducted twice a session before Mid Term and Annual exams to assess their concept learning in the following subject

- ❖ Science
- ❖ Maths
- ❖ English

A Nominal fee of **Rs.1500/-** for 3 subjects tests twice a year has been charged along with the school fees.

**NOTE-** Only those who have paid the fees are allowed to participate in the exam on respective days.

These Assessments provide school and parents identifying subject specific learning gaps and provides opportunity to work on them before exam leading to overall development of the child.

For your reference we are sharing the sample of reports and question paper.

Regards

Principal
