[Circular regarding Green Award 2024]

Dear Parents,
Greetings from SFWS!

Green Award is a prestigious award awarded to the heroes who had done exemplary work in conserving the environment. This exclusive initiative was started by St. Francis World School to promote Environment Restoration and Conservation and to create awareness amongst students.

This year also we will hosting Green Award, and it will be held in following phases:

PHASE- I Environmental Olympiad for Classes I-XII

It is done with an attempt to to imbibe the knowledge about the importance of Environment and the conservation of its resources.

Syllabus: E.V.S/Science syllabus of the previous class studied.

In case of a tie, A Rapid Fire Round will be the tiebreaker.

PHASE – II Nomination for various categories Green Award will also be bestowed to those students who have been making a contribution to sustain and edify the Environment. Your nomination should be substantiated by suitable videos and pictures of your unique effort. plantation drive and a proper report. Students can submit their portfolio with videos and pictures exhibiting the work done from August 2023 to June 2024. The various categories under which students can nominate themselves are:

1. Water Conservation: Exhibiting exemplary work in conserving and saving water through efforts implied in the direction of water conservation.
2. Plantation and green Spaces: Done outstanding work in the field of plantation of trees, organic farming, creating nurseries etc.
3. Community Engagement: Done some services to community by raising awareness, doing plantation drives, rallies raising awareness in the society about conservation of environment and it's resources.
4. Waste management: Extraordinary work in recycling waste products,. Polythenes, newspaper, plastic waste into constructive usable items.
5. Sustainable Innovations: Innovative ideas that can help in sustainable development and growth of environment and humans together.
6. Energy Conservation: Created new ideas for the conservation of the limited energy resources and judicious usage of the resources.
7. Biodiversity Conservation: Done exemplary work in the conservation of flora and fauna, thus providing a suitable space for animals(stray) helping them feed and taking care of them.

PHASE- III Van Mahotsav: Participation in Van Mahotsav week activities from 3rd July 2024.

Winners of various activities conducted during this week will be awarded with Green Awards.

Phase- IV Interview Round

Marks will be accumulated after a student will participate in all the four phases and the thus prize will be bestowed to the winners of all the four phases.

You're requested to encourage your ward to participate in all the events and in creating a strong champion and conserver of the Environment.

Regards

Principal
